

Boys and Girls Reach Finals!

Our boys and girls did extremely well this year in the football competitions in Cumann na mBunscol. Both teams played great football on their way to qualifying out of their groups, with the boys then defeating Yellow Furze 4-6 to 0 -2 in the semi final and the girls defeating Scoil Naomh Eoin with a last minute goal in their semi final.

The finals saw both teams fight bravely but unfortunately end up on the wrong side of the result. The girls were 11 points down in the second half but fought hard, scoring 3 second half goals. If only the second half had lasted 10 more minutes!! In the end, Gaelscoil na Ríthe triumphed by 4-6 to 3-3. The boys' final didn't go their way. Early goals for Oldcastle had the boys under pressure right from the get go. Despite battling throughout, a goal from Ali and fine points from

Cian and Billy weren't enough to stem the tide. Oldcastle finished comprehensive winners but we are very proud of our two fighting teams!!

KILDALKEY N.S. NEWSLETTER

December 2019

Christmas Craft Fair

This year's Craft Fair takes place on Sunday, December 8th. We are looking forward to seeing a big crowd there with lots of different crafts and gifts on display. We are opening our doors at 12.30 and we'll have lots of prizes and raffles throughout the day, right up until after 3.00.

Be a great place to buy Christmas presents!!

Intel Mini Scientist Exhibition

Kildalkey N.S. recently held the Mini Scientist Exhibition, the pictures of which are overleaf. We had 27 entries this year, a huge amount!

The standard was exceptional, giving the poor judges very difficult decisions to make! Students from Senior Infants to 3rd all visited the projects, along with many parents. Eventually, the judges deliberated and awarded runners up prize to Luke, Kevin, Liam and Jamie. However, the winners this year were Billy, Daniel and Finn with their project 'Biomarkers in medicine - the clues within us'. The boys will now represent the school in the Leinster finals on Friday, 6th December in Blanchardstown I.T.
