Food Dudes is well underway throughout the school, with children in all classes working hard to keep General Junk at bay! Many children have made a huge effort eating their daily portion of fruit and vegetables and earning excellent rewards in return for their hard work!

As the first phase of the programme has come to an end, children are encouraged to continue to bring their own fruit and vegetables to school each day. There are lots of additional prizes and certificates for this second phase of the programme and the children will be rewarded for their continued efforts.

A big thank you to Ms Kerrie Lynch for co-ordinating the programme in the school and to the 5th and 6th class pupils for their help also.

## Confirmation 2013

Congratulations to sixth class who were confirmed recently on the 28th February by Bishop Smith.

Thanks to Ms O'Sullivan for co-ordinating the choir and also to fourth and fifth classes and their teachers for making the day extra special! A further thank you also to Mrs Halligan for her artistic skills in producing the fabulous art work on display.

Thank you to the Parents Association and all who were involved in the reception that was held in the hall afterward and to all who contributed in making the day a memorable occasion for all!

## First Holy Communion

Congratulations to Second class who recently had their First Penance on March 13th. Preparations are on-going for their First Holy Communion which takes place on Saturday May 18th.

Many thanks to all the parents who helped with both the "Do This in Memory" and "Be my Witness" Programmes for the pupils of First Holy Communion and Confirmation.

## Thank you!

Many thanks to our parent volunteers for their continued help and support with our paired reading every week with Infants.

First class also continue their buddy reading with sixth class which is proving a great success!

## Sports

The sixth class boys and girls represented the school at the M.D.L. recently. All teams showed great determination and spirit on the day despite their defeat against tough competition. A big thank you to all parents who helped with transport on both days.

Hurling training has begun and camogie will be starting after the Easter break.

## Drama & Computers

All classes were very busy during the second school term. Junior Infants to Second class enjoyed drama workshops in recent weeks with Penelope Moorhead, where they took part in lots of speech and drama activities. Here are one group in role for the Wizard of Oz! Second to Sixth classes have also been enjoying computer skills with Joan during the second term.

## Other Activities

A great effort was made by all classes during Seachtain na Gaeilge recently. Fifth class decorated the school with lovely posters advertising the event and there was lots of Irish Dancing music and *caint as Gaeilge* to be heard throughout the school!

Many classes have been busy with project work, with second class doing great work on the planets and fourth class looking at Spain and the Native Americans. Fifth class also visited Kilmainham Gaol in recent weeks on what was a very enjoyable and educational trip!
