

Sports Day

Sports Day took place this year on Thursday, June 13th.

Glorious dry weather accompanied the day, which saw all the classes partake in many different activities, such as the long jump, musical chairs, the parachute, the obstacle course, the races etc. The Parents' Association arranged for every child to receive an ice-cream from the ice-cream van and we had many volunteers in helping to paint faces etc.

All students and classes really enjoyed the day - thanks to all who made it happen!

KILDALKEY N.S. NEWSLETTER

June 2019

Cumann na mBunscol

This year saw Kildalkey reach both the hurling and Camogie finals again. The boys were out first against Trim, who they had lost to twice already this year. In an inspired performance, Kildalkey rose to the challenge. An early 1-2 from James laid the foundations for the win. A huge score from Conor Barnwell saw Kildalkey lead at half time by 4. The boys staunchly held out in the second half and a late score from James sealed the win on what was a memorable victory.

The girls had beaten Boardsmill well in the semi final and were looking to secure consecutive titles. However, Boyerstown were to prove too strong on the day. Anna's two goals meant the half time score was 2-2 to 2-0 and when Ellen fired home a goal in the second half to level the match, signs were good. However, a late scoring burst from Boyerstown put paid to the girls' prospects with Kildalkey eventually succumbing 6-3 to 3-2. The girls can feel very proud of their efforts on the day and during the year but on the day, Boyerstown were simply a step too far. Brighter days ahead!

School Garden

Our new school garden was recently awarded a Level 1 certificate in the Pride of Place school gardens.

We have a sensory garden where plants can be touched, smelled etc. There's also a fairy garden there!

We have fruit and vegetables planted in our garden as well. The students have helped to create a mini woodland coming in the first gate and plants to attract butterflies and bees.

Take a look—it looks great! Well done to all the students involved and thanks to all the parents and teachers who have helped!

Art Work With Anita

Our artists have recently been doing a lot of work with Anita Reynolds! She has been helping them create leaves made with different textures and fabrics and is also creating a project utilizing flax and linen! Our tree looks great and we look forward to seeing the completed works!

Active Flag

Kildalkey N.S. Was recently awarded with its first Active Flag! The school was very busy over the last year with different activities such as the Daily Mile, Active Schools Week and various other training schedules.

Well done to all the children on receiving such a great award! Thanks to all who helped to procure it.
