Comhghairdeas to Harry, Lucas, Sam and Liam (missing from the photo) who represented the school in the Lenister final of this year's Mini Scientist competition in Blanchardstown IT on Wednesday 13th December. They were presented with the overall prize on the day for their project on Fuel Poverty. They will now go on to represent our school in the All Ireland final in the new year.

On 1st December our sixth class went to tour the stone age passage tomb in Newgrange. The children really enjoyed the interactive visitor centre and the tour of the monument.
