Successful School Box Appeal!

Well done to all those who contributed to our Shoe Box Appeal. Every year, as part of the Team Hope Shoebox Appeal, the school sends off shoeboxes to those who are less fortunate than ourselves. This year, we collected 130 shoeboxes!!

The shoeboxes go to those in poverty, war, neglect etc. Last year, 212,002 shoeboxes went to children all around the world. The 130 shoeboxes we collected will all go to those who need it the most. Well done to all who gave a shoebox and to Angie who organised the event!!

Mini Scientist Exhibition

The fourth and fifth class students have been toiling away in School Two, preparing for their Intel Mini Scientist Exhibition, which will take place on Wednesday, 30th of November.

Every student in the two classes is entering a project and there promises to be some fascinating projects on display.

All parents and relatives are invited to come see their projects on display in School Two on Wednesday, 30th November.

Best of luck to all the participants!!

Nature talks in Senior Infants

As part of Science Week, the Senior Infants recently had a visit from Dale, he of RTÉ fame. Dale taught them all about Hedgehogs and even brought in one to look at! Then he did some work with the Senior Infants about the dinosaurs and how they lived here millions of years ago! They had a great day learning about with Dale!!

Science Week fun in Third Class!

The third class have been doing activities for Science Week.

As part of Art, they built 3-d structures seeing how sturdy they could make them. Didn't they turn out great!

They performed a 'Walking Water' experiment to see how capillary action makes the colours join!

They have been having great fun in third class!

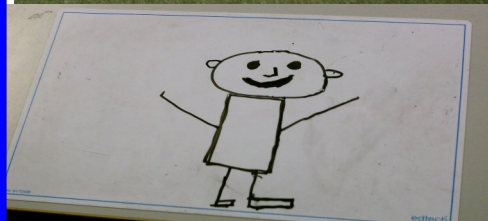

Junior Infants

Junior Infants have been working with Matman this month as part of the Handwriting without Tears programme!

They have also been working with the wonderful Cookie Monster that Threasa created from a pumpkin!

As part of Aistear, they have been working in the Post Office, pretending to receive and send letters! They've been having great fun!

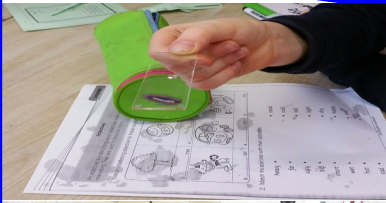

First Class Science Fair

As part of Science Week, the two first classes came together and put on a Science Fair for their parents and relatives. It was a tremendous success, with all students able to display their experiments and explain them to all the parents. Well done to our first class scientists!

Second Class Shenanigans

Second Class celebrated Science Week this year by performing several experiments in the class. They explored how rainbows are made, learned about slides for the microscope, looked at different food through the microscope, and looked at hedgehogs with Dale! A great Science week was had by all the students!

Christmas Craft Fair

Our Craft Fair is taking place on Sunday, 4th December this year from 12.00 to 4.00. Last year, we had many different goods and crafts on sale. You never know what you might find! A great day's fun is in prospect!!!!

HURLING SUCCESS

Congratulations to our Cumann na mBunscol hurlers who retained their Division One title this year. They went undefeated through the year, beating each of Cannistown, Dunboyne and St. Michael's, Trim in the league section, defeating each team both home and away. In the final, they defeated St. Michael's N.S., Trim on a scoreline of 7-9 to 2-3 to spark wild celebrations. Well done to the entire team on their display, both in the final as well as throughout the league.

Well done also to Brian who scored 2-5 and won the 'Spirit of the Final' award, which he was presented with in a ceremony in Newgrange Hotel in Navan.

KILDALKEY ATHLETES!

Students from Kildalkey N.S. recently had tremendous success when they participated in Fr. Murphy's Cross Country Competition. Kildalkey picked up a sum total of 12 medals on the day, which was a phenomenal achievement! In the overall medals tally, Kildalkey came second out of all the schools present at the meeting! Well done to all those who raced and to all those who brought home medals!
