

Boys Unfortunate in Final

Hard luck to the boys' football team this year who made it to the Division Two football final only to come up marginally short.

In a tough group, they overcame Athboy, Kilmessan, Gaelscoil na Bóinne, Oldcastle and Bohernmeen to set up a semi final with Yellow Furze. In what was their best display of the season in atrocious conditions, they put in a superb performance winning 3-11 to 1-3.

That pitted them against Wilkinstown in the final. Despite losing Jamie to injury, Kildalkey settled into the final well and two superb scores from play from Caemerhon and Cian, allied to some brilliant defending saw them head into the second half only two points down 0-4 to 0-2.

A very early score from Aaron saw the lead whittled down to one. However, despite all the pressure Kildalkey put on, Wilkinstown held firm and a further three points saw them go four points up. Scores from Aaron and Jamie ensured a goal would win it and indeed, it was Kildalkey who were camped on the line at the end, looking for the score that just would not come.

Despite the loss, Kildalkey can be very proud of their efforts, both on the day and throughout the campaign. This was only their second ever Division 2 final, which was a huge achievement in itself. The boys can hold their heads high as even when all wasn't going their way on the day, they kept fighting to the bitter end.

The 4th and 5th class team have made it to the final in the inaugural Peadar O'Liathain cup which is to be played on 3rd December. The best of luck to them!

KILDALKEY N.S. NEWSLETTER

November 2018

Craft Fair

This year's Craft Fair took place on Sunday, 25th November. We saw huge numbers on what was a fun filled day for all. A large number of people flocked to see the various stalls and many Christmas presents were bought on the day!

Thanks to all who came to support the day and thanks particularly to Martina Browne and Angie who helped organise the event. It gets bigger and more successful every year!

Mini Scientist Exhibition

Kildalkey N.S. recently held the Mini Scientist Exhibition, the pictures of which are overleaf. We had 36 entries this year, the highest ever!

The standard was exceptional, giving the poor judges very difficult decisions to make! Students from Senior Infants to 3rd all visited the projects, along with many parents.

Eventually, the judges deliberated and awarded runners up prizes to Blessing for her project 'The Eye and Visual Impairment', Ava and Amy for 'Weather You Like It or Not' and Lucy and Ava-Marie for 'Mooving Experience'. However, the winners for the second year in a row were Anna, Ellen, Meadhbh and Shannon for their project 'Does Spatter Matter'. The girls will now represent the school in the Leinster finals on Wednesday, 5th December.
